

EU Declaration of Conformity (DoC)

We hereby declare that the polyethylene-based packaging materials supplied by Tiryakiler Ambalaj San. ve Tic. A.Ş. comply with the applicable requirements of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR), to the extent currently applicable.

This declaration is based on:

- Raw material supplier declarations.
- Available technical documentation.
- Product analysis reports issued by accredited laboratories.

We confirm that:

- Technical documentation is maintained and retained by our company.
- The products are manufactured from polyethylene-based materials.
- Heavy metal requirements applicable to packaging are fulfilled.
- According to information provided by the LDPE raw material manufacturer, PFAS substances are not intentionally added and are not expected to be present in the product composition.
- The supplied packaging is compatible with existing polyethylene recycling streams where collection and recycling infrastructure exists.
